

Daily Blessing of a Work Place

Lord God Almighty, bless this place of work, that it may be a place of health, purity and self-control. May there prevail here a spirit of humility, goodness, gentleness with one another, obedience to your commandments, and great thanksgiving to you, Father, Son and Holy Spirit.

God our Father, pour out your blessings on us. Be pleased to bless this place as you once blessed the homes of Abraham, Isaac and Jacob with your visitation. Within these walls let your powerful angels of light preside and stand watch.

Lord Jesus Christ, guard us from every evil influence. Send your holy angels to protect us. Be with us. Give us comfort, encouragement and peace. Amen.
